

# My recordings

## What is it

My recordings is a paper reproduction of a portable stereo in which you can insert paper audiocassette with your recordings (notes, memories, thoughts).

## You may need

## How to build it

- 1 Print the pdf file
- 2 Cut it along the solid lines ———
- 3 Bend it on the dashed lines - - - - -
- 4 Attach the three flaps of the paper portable stereo with glue or double-sided adhesive tape to a page of your notebook
- 5 Write your notes, memories or thoughts on the paper audiocassette and keep them in your portable stereo
